The Winter Menu at Kracherleemoos

Menu from 12:00 to 17:30

Tyrolean architecture in the style of old alpine huts meets a modern restaurant concept with contemporary alpine cuisine and a cozy, feel-good atmosphere. Authentic and regional. Whether it's game from the Karwendel, lamb from the local alpine meadows, or fresh fish from the crystal-clear waters of the region. Tyrolean tavern cuisine, reimagined. And all this in the heart of Seefeld in Tyrol – at the sunniest vantage point of the Seefeld Plateau, both in winter and summer.
